To me,

Your love dear mom goes beyond everything else,
You shape up my life and make up for the mess,
You make my life complete with your loving touch,
I'll never forget you coz I love you so much.

Sweet and compassionate, loving and tender,
You are everything to me dearest Mom,
A beautiful Mom with and even more beautiful heart,
Without you my whole world will fall apart.

For 9 months, Mom you held me safe in woumb,
You nurtured me till I learnt how to eat it a spoon,
You help my tiny hand and taught me how to talk,
All that I am, I owe to you deareest Mom.

Mom you are special and I love you,
Mom, you are no less than an angel to me,
I have placed you're picture within my heart beneath

WHAT WENT WRONG

We were meant to be together.
With so many promises to love each other
The moments we spend with love
The moments filled with much care
Now, everything is lost
What went wrong that I don't know?
Many secrets are still untold.
Many emotions yet to show
Things have become bitter with accusation left
When I loved you, I never thought this would
happen to me
To see things that I never wanted to see.
I have unreasonable reasons to weep
I feel so bad. I feel absurd
I'm left with pain in my heart.
I wish that did not happen
not happen in this way
I have lost a lot
Tell me what went wrong.

SINCE YOU WENT AWAY.

Since you went away,
Seems lack to me, the stars don't shine so bright,
Seems lack to me, the sun doesn't have light,
Seems lack to me - there is nothing going on right.

Since you went away,
Seems lack to me, the sky isn't half blue,
Seems lack to me, everything hates me,
Seems lack to me I don't know what to do.

Since you went away,
Seems lack to me, everything is wrong,
Seems lack to me, My days are so long,
Seems lack to me - Birds have forgotten their song.

Since you went away,
Seems lack to me, I can't help but sigh,
Seems lack to me, my thoughts keep getting dry,
Seems lack to me, tears stay in my eyes.

GOODBYE FROM MY SIDE.

It's a goodbye I want to tell you,
The last time that I may say,
I have lost all the perceptions of love.
You know how i loved you so much,
You know how i loved your touch,
But you did not understand my love to you,
You did not understand me in any way.
I think I have lost every way,
Its now over between us.
I have no feelings left for you,
It's now over, with a goodbye,
I don't love you anymore.
Nothing is left in life now,
Except pain and longing in my heart.
You were never my part,
Goodbye from my side.
Love lost in time!

A bouquet of flowers, possibly roses, lies on a light-colored, textured surface like a sidewalk or pavement. The bouquet is somewhat disheveled, with some petals visible and the stems tangled. The background is a blurred outdoor scene with a person walking in the distance.

YOU LIED BUT I STILL CARED

You always said you loved me
You always said you cared
That you would always be with me,
That you would always be there for
me.

You told me that you are here for me,
Through as the pain I felt,
You told me that you are with me,
Til your very last meal with me.

But you were never there,
Through all those endless nights,
You could never stop my cry.

My heart tore.
Then you walked away.
My happiness went up in smoke.
Everything looked gray.
